

Congratulations...

This is an exciting time of life! Our goal at WMBC is to assist you to both celebrate, and prepare for this meaningful time of your life. This brochure will answer some of your questions and help you get ready for your wedding day and the rest of your lives together.

Spiritual Considerations

At WMBC we believe that God intended marriage to be a covenant relationship between a man and woman, uniting them for a life time. At creation, God designed marriage for companionship, sexual union and the birth and nurture of children. Therefore, sexual intimacy rightfully takes place only within marriage. Marriage is to be characterized by mutual love, faithfulness and submission. A follower of Christ should not marry an unbeliever.

In today's society, a growing number of marriages are non-traditional. These may include second marriages, cohabiting couples or couples with differing spiritual values. Under these circumstances our Pastors will discuss your relationship with you, and assist you in your efforts to build a successful and fulfilling marriage.

Marriage Preparation

At WMBC we believe that marriage preparation helps couples achieve the marital success they expect to experience. To that end, we are committed to offering you the very best in pre marriage training. To learn the details, your Pastor will discuss with you marital preparation, and marriage enrichment opportunities. The final commitment to officiate at your wedding will be made once this preparation process is underway.

When should I contact the church about getting married?

The wedding & marriage preparation processes take time, and each of these undertakings deserves your full attention. Therefore, we strongly recommend that you contact the church to begin your marriage preparation four to six months before your wedding date, and before you make fixed wedding plans. In this way you can make sure that your pastor of choice will be able to accommodate the dates you have chosen.

Do I pay the pastor to officiate at my wedding?

Many couples wish to express their gratitude for the service provided at this pivotal point in their lives. Your pastor will spend many hours helping you plan and experience a memorable day. An honorarium of \$100.00 is a suggested range.

We would love to accommodate your wedding however we do ask that you check the availability of our facilities as soon as possible.

We cannot book your ceremony more than six months in advance.
